

**Wonderful WOW Words**

The children will be extending their vocabulary describing the events of the 1605 Gunpowder Plot.

**Addition and Subtraction**

Developing skills and understanding in addition and subtraction will allow children to problem solve independently. The children can then build on using manipulatives and different strategies which will support them in problem solving.

**Remember, remember the 5<sup>th</sup> November  
Gunpowder, treason and plot**

The children are investigating Guy Fawkes and the role he played in the Gunpowder Plot of 1605. We will explore how everyday life was different in the past and how and why we celebrate the 5<sup>th</sup> November in the United Kingdom.

**Keep yourself and others safe!**

The children will learn about Fire Safety, Road Safety and how to treat others with respect.

**Let's experiment**

Using their new knowledge, the children will experiment with different materials, finding solutions to various problems and putting their ideas and predictions to the test.

With Christmas fast approaching the children will prepare for celebrating Christmas with a variety of activities.
