

# White Cliffs

Primary School

Dear Parents and Carers

Schools have still not heard from the Government or Local Authority what has been put in place regarding Free School Meals provision.

To that end, the school has taken the decision to provide every child entitled to Free School Meals with a voucher in lieu of this week (commencing Monday 4 January), to a value of £15.

The company issuing the vouchers is called 'Wonde' so please do look out for the email, including your spam / junk mail folder. We are hoping that you will receive this over the weekend. However, this is dependent on how quickly the company process our order. We are using the details that you gave to us for the provision of vouchers in December.

You will be able to choose your own supermarket, from a choice of: Morrisons / Tesco / Asda / Sainsbury's / Iceland / Aldi / Waitrose

Please note that this is for 1 week only until we receive clarification from the Government.

Please be assured that I am doing everything in my power to make sure that every child eligible has what they are entitled to. I do not want any child going hungry or being cold. As always, if you are experiencing hardship of any kind, please contact the school so that we can try to help you. Email: [admin@wcliffs.dfamat.com](mailto:admin@wcliffs.dfamat.com) or [safeguarding@wcliffs.dfamat.com](mailto:safeguarding@wcliffs.dfamat.com)

Yours sincerely

Mrs S Knight Fotheringham

Headteacher
