National School
SPORT WEEK

Our Amazing Sports Week

Last week was Sports Week across the school and fantastic fun was had by all! Classes enjoyed different sport activities throughout the week such as Bench Ball, Speed Staking, Pentathlon and Boccia. A big thank you to Mr. Uden for organizing an amazing week of sporting activities.

Unfortunately, due to last week's weather, some sports days have had to be rescheduled. Please keep an eye on Seesaw for more information for when the weather brightens, and these can take place.

Enterprise week

This week classes have taken part in enterprise week, working together to plan, design and create different products. Year 4 have been making their own exciting board games, creating instruction cards, themes, and character pieces. After discussing colours, scents and designing logos Year 2 have produced the most beautiful smelling soap.

Pebbles news...

Although sports day was rained off, this didn't dampen the Pebbles spirits. We have had great fun trying out different sports during the week including taking penalties, egg and spoon games and dodge ball. We can run, hop, balance and catch really well!

We have enjoyed exploring jungle animals and looking at the difference between spots and stripes. We can roar like lions and jump about like monkeys as we move in the same way as the jungle animals.

Fantastic Work in Year 6!

Ryan has been working so hard to improve his TT Rock Stars baseline score and in his final assessment, he has nearly halved his previous time! Well done, Ryan!

Key Information

Term Dates:

- Term 6 ends on 16th July at 12.45pm

Reminders:

NHS Day- Monday 5th July 2021

Along with the rest of the country we are celebrating and raising the money for our NHS heroes. We look forward to seeing you all dressed up and taking part in lots of fun First Aid activities.

Face Masks: Due to current Covid restrictions still being in place, **all** adults must continue to wear face coverings when coming onto the school site. We thank you all for your continued support.
