Dear Parents and Carers

What parents and carers need to know – amended guidance

DfE has amended [guidance for parents and carers](#). Significantly, this guidance now states:

*“Your child’s school or college will speak to you to identify whether your child needs to attend. **You should keep your child at home if you can.** They may ask to see simple evidence to check whether you are a critical worker such as your work ID badge or a pay slip.”*

The [guidance on critical workers and vulnerable children who can access schools or educational settings](#) has also been updated to clarify that parents and carers who are critical workers should keep their children at home if they can.

Further guidance can be found on our website: [Remote Learning - Letters and Guidance](#)

Kind regards

School Office
