

Favourite Stories

The children will be enjoying a selection of imaginative stories with a variety of characters, settings and storylines. Once they are familiar with the structure of the stories they will use their imagination to write their own.

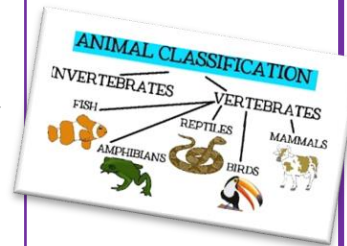

Queen Elizabeth I

The children will be learning about some aspects of the era of Queen Elizabeth I. As well as clothes and transport from that period, they will also be learning about the Spanish Armada.

Animal Classes

This term the children will be learning about the different animal classes. They will discover and compare the special body parts that make the different animal groups so unique and fascinating.

Marvellous Maths

In maths the children will continue to improve their key skills, i.e. counting to 100, reading and writing numbers, addition and subtraction. They will also learn to name 3D shapes and how to measure weight.

PE

This term the children will explore and practise different balances and rolls. They will choose their favourites and link them together as a performance to demonstrate their agility and coordination.

The children will be taking part in Safer Internet Day alongside the rest of the school which will allow them to begin to understand how to keep safe while navigating the amazing opportunities the internet holds.
