

Writing

In Term 5, Year 2 will be exploring poetry. From nonsense poetry where we will be exploring and having fun with vocabulary. We will be using our amazing knowledge of adjectives and apply this to our work on descriptive poetry.

Your Majesty

This term the children will explore and learn about our Royal Family. We will be looking back through The Royal's history and how they have impacted our lives today. We will be zooming through the decades and seeing who our past monarchs were and what they have done for our country.

Maths

Year 2 will be continuing developing their strategies for addition, subtraction, multiplication and division including the 3x table. We will be exploring turning and giving and programming directions for people and bee-bots.

Physical Education

This term we will be looking to develop their striking and fielding techniques and how to work together to achieve the best outcome for their team. Year 2 will then go on to play adapted games of kwick cricket.

Religious Education

Children will be looking at Christianity, Isla and Judaism and comparing the similarities for prayer, places of worship and how they live.

Science

The children will have the opportunity to closely study plants and trees in the natural environment, taking measurements and making observational drawings. Children will plant a seed and a bulb and compare them as they grow. They record changes in their plants in words and pictures, take measurements throughout the unit and finally draw bar charts to show the growth of the two plants.
