

Writing

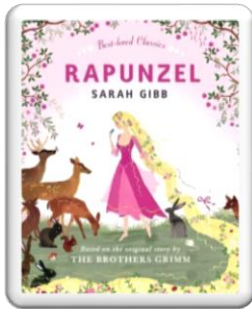

This term Year 2 will explore the structure and characters of well-known fairy tale, 'Rapunzel' to help write their own alternative version of the story for other children to enjoy.

Maths

Year 2, are continuing to develop strategies to solve the four operations and will tackle worded problems. There be a focus on using scales to measure mass in addition to making and predicting shape patterns.

Excellent Explorers

This term the children will focus on two important explorers from the past; Christopher Columbus and Neil Armstrong and why they are still remembered as significant people in History. Year 2 will work with maps, navigating them while using a compass to give directions.

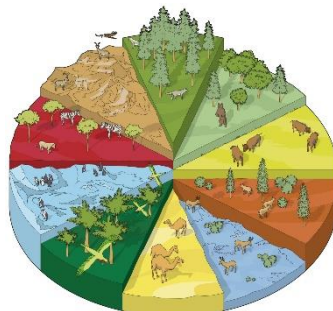

Science

In science Year 2 will begin to learn about different habitats, how living things are suited to the habitat and the interactions between the living organisms within the habitat. Year 2 will work scientifically by using their observations and gathering evidence to suggest answers to questions.

Religious Education

The children will explore the significance of the Bible to Christians and recognise that scared texts including the Torah and the Qur'an contain stories, which are special to many people and should be treated with respect.

Physical Education

This term the children will develop their skills in gymnastics. Learning how to travel, roll and jump both on and off apparatus. Children will compose and perform simple routines.
