

English

This term, we will be exploring a wide variety of texts, from mythical tales to fascinating information texts about ants and other creepy crawlies.

Extensive reading will provide us with a good understanding of vocabulary, layout, and structure, which will support our own independent writing activities.

SPAG

This term, we will be using, adverbial phrases, conjunctions and prepositions, to make our writing more interesting.

Science

We are going to be learning about light and dark. We will consider that light can be reflected but that we need it to see. After this we will look at shadows and experiment with the length and shape of shadows at different times of the day.

Key Vocabulary

Where?

Sandwich	Bosworth	England
Wales	The village	

When?

1485-1603 AD	16 th Century
--------------	--------------------------

What like?

wealthy	light	dark
bright	reflective	opaque
transparent	translucent	

What?

clothing	food	houses
torch	sunlight	rose
shadow	emblem	

Who?

Tudors	Henry VIII	Henry VII
Elizabeth I	Monarch	King
Queen		

How?

sewing	stitching	evaluating
observing	measuring	annotating
calculating	researching	

The Tudors

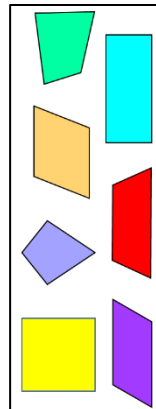

This term, we are going to start an interesting project that is very close to home. During the Tudor period there was lots of change with the monarchy, homes and food became status symbols and there was substantial change to religion.

We will then investigate the Cinque Port Towns and start a study into the local town of Sandwich which played a major part in the Tudor period.

Maths

This term we will be looking at partition numbers up to 1000 into hundreds, tens and ones. We will use to support the rest of the terms learning based around mental addition and subtraction, grid and expanded methods of multiplication and capacity (millilitres). We will also learn about different ways to describe shape.

Design Technology

We will be designing and making our own, customised 'Tudor Rose' themed, fabric pin cushions. We will be working with different materials and stitching techniques bring our designs to life.
