

Topic Title: 999 What's your Emergency?

Year Group: Reception

Term: Three

Medical Magic

Doctors, nurses, dentist and ourselves work together to make sure we stay healthy and strong. We will all learn basic first aid skills and find ways to keep ourselves safe.

Lovely Lifeboat

We live so close to the sea and must keep ourselves safe when near the water. We will learn about water safety and who can help us if we get into trouble in the water.

999.... What's your Emergency?

Are you ready to find out about all the wonderful people who are around to help us? They wear bright colours and have awesome vehicles. If we are really lucky, we may have some Special Visitors to tell us about the amazing things they do.

Fabulous Firefighters

'When you hear that fire alarm' what do we do? How do we stop fires from starting? We will learn the many jobs of a Fire Fighter and how we can get help if we see a fire.

Perfect Police

Can we spot the Police Officer around us? They have a very important job to keep us safe. We will learn all about a Police Officers job and how they can help us.
